

IND Fund Training 2009 Dates

We are pleased to invite you to join us for regular roundtable-style meetings of the IND Fund coordinators (and related partners).

The meetings will take place the morning before each regular INVOAD, at the Red Cross building in Indianapolis. The meeting rooms may be different from the INVOAD meeting rooms, so please watch for each meeting's remind, or watch for signs when you enter the building.

Time: 10 AM to 12:00 noon, Indy time; coffee will be ready at 9:30 AM.

2009 dates:

April 9
June 11
August 13
October 8
December 10

Lunch: To make it convenient for those staying for the INVOAD meeting, we can order **FREE lunches**. **HOWEVER**, since it will be **free**, we will need a **very firm count** and trust that we will see you there if you sign up to be there.

Format: The format will be very unstructured and flexible. If there are specific issues you would like to discuss, and it's important for people to know that in advance, we can include that information with each meeting's reminder.

Generally, the format will include:

- Welcome, quick introductions
- Warm-Up activity, always key topic-based
- Open sharing and trouble-shooting time. You tell us your topics, we'll help you prioritize, you share, ask best practices of each other. We'll facilitate the conversation and take notes.

During the April meeting, participants will make decisions about priority training topic and the meeting format for future months.

For questions, contact Lucinda Nord at Lucinda.nord@iauw.org or 800-457-1450 x 131 or Lisa Hanger x 119.

For April only, please RSVP to lverne.russell@iauw.org to be sure we have your count for lunch. Or, starting next week, we'll have online registration ready to go at www.iauw.org. Look for the link in the center column.

We look forward to seeing you soon!
